

Survey of Adult Members in the United States and Canada

INSTRUCTIONS

In cooperation with the Temple and Family History Departments here at Church headquarters, we have developed this survey to help us understand your thoughts, feelings, and experiences relating to temple and genealogy activities. You may be interested to know that along with you, approximately 3,400 other members in the United States and Canada are being asked to participate in this project.

I would appreciate your taking some time to respond to the questions that follow. It should take about an hour to complete. To answer most of the questions you will simply circle the answer that best describes you. For most items the question will be in the left column, and the response choices will be in the right column. Some questions can be answered by writing in a short answer, and a few questions will require you to write in a response, perhaps as long as a paragraph or two.

We hope that you will feel you can be candid and open in your answers. There are no right or wrong answers, and what you write will be anonymous. We will not be able to associate your name with the questionnaire you complete. Your answers will be grouped together with the answers from other participants to be analyzed.

I would ask that you complete the questionnaire as soon as possible so that you can have it in the mail to us by **MARCH 30th**.

When you have finished, please use the enclosed envelope (postage is already paid) to return your survey. Also, write your name (first and last) on the postcard and drop that separately in the mail when you return your survey. The postcard will tell us who has completed the survey (so we will not bother you with a reminder letter), but will also allow your answers to be anonymous.

If you have questions about this survey, you may call me at one of the numbers listed below. It is best to call between 8 am and 5 pm Salt Lake City time.

If you are calling from **WITHIN** Utah: 1-800-662-3756 (ext. 3990)
If you are calling from **OUTSIDE** Utah: 1-800-453-3860 (ext. 3990)
If you are calling from the vicinity of Salt Lake City: 531-3990

In advance, let me thank you for your help in this project.

COMMENTS:

The Temple and genealogy were an important part of life when I was a child in the 1950s.

As I grew older, however, and single - I did not remain a part of the church. The lessons and social programs were not relevant to me. I spent my time in personal projects and study.

As a result, I no longer believe as I once did:
